Help for Ontario's tenants

To the Legislative Assembly of Ontario:

WHEREAS Escalating rental costs are making Ontario less affordable and exposing many tenants to further financial insecurity;

WHEREAS Tenants living in residential apartments and condominiums built after 1991 are not protected within the Residential Tenancies Act by rent control guidelines, nor are they protected from other arbitrary changes to their rent which currently cannot be appealed to the Landlord and Tenant Board;

WHEREAS This has created an unfair, two-tier system of tenant protection in Ontario where some tenants have no protection from large and arbitrary increases;

WHEREAS Fixing these simple exemption loopholes will help protect tenants and help make housing more affordable for thousands Ontarians;

We the undersigned petition the Legislative Assembly of Ontario as follows:

That the Province of Ontario acts to protect all tenants in Ontario and immediately move to ensure that all Ontario tenants living in buildings, mobile home parks, and land lease communities are covered by the rent guidelines in the Residential Tenancies Act, 2006.
